Portfolio: datascienceportfol.io/ayomidesowande | GitHub: github.com/SAB-1 | LinkedIn: linkedin.com/in/sowande-ayomide-boluwatife

PROFESSIONAL SUMMARY

Data Analyst and aspiring AI/ML practitioner with a background in Electrical Electronics Engineering and hands-on experience in Python, machine learning frameworks (PyTorch, TensorFlow, Scikit-learn), and data analytics. Experienced in delivering data-driven insights, building dashboards, and translating complex datasets into actionable business recommendations. Actively developing skills in MLOps, GenAI frameworks, and cloud-based ML platforms (Azure ML, Databricks) to transition into production AI/ML solution delivery. Strong communicator and collaborative team player with a proven track record of working across cross-functional teams.

TECHNICAL SKILLS

- Languages: Python, SQL, SAS
- ML Frameworks: PyTorch, TensorFlow, Scikit-learn, SciPy, NumPy, Pandas
- Visualisation & BI Tools: Power BI, Tableau, Matplotlib, Microsoft Excel, Google Sheets
- Databases: MySQL
- Developing Competencies: MLOps, MLflow, CI/CD pipelines, LangChain, Azure ML, Azure OpenAI, Databricks/Spark, SHAP (Explainable AI), RAG, model monitoring, time series modelling
- Soft Skills: Cross-functional collaboration, stakeholder communication, problem-solving, critical thinking, project management, data storytelling

EDUCATION

Olusegun Agagu University of Science and Technology, Okitipupa

B.Eng Electrical Electronics Engineering | Jan 2018 – Sept 2023

Success High School, Ibadan

Senior School Certificate Examination | Sept 2011 – Aug 2017

WORK EXPERIENCE

StatiSense | Data Analyst | Sept 2025 – Present

- Collect, clean, and maintain accurate datasets ensuring reliability and consistency for business reporting and decision-making.
- Analyse complex datasets using Python (Pandas, NumPy, Scikit-learn) to uncover trends, patterns, and actionable insights aligned with business goals.
- Design and deliver data visualisations, dashboards, and stakeholder reports using Power BI and Tableau, applying data storytelling techniques to influence business strategy.
- Collaborate with management and cross-functional teams to translate business problems into analytical frameworks and practical recommendations.
- Manage and deliver data projects within established timelines, contributing to business strategy through impactful analytics.
- Stay current with industry best practices, emerging analytical tools, and AI/ML technologies including GenAI developments.

Federal College of Education, Osiele (NYSC) | Data Analyst – Admin Department | Jul 2024 – Aug 2025

- Analysed departmental data and prepared data-driven presentations for board meetings and school council reviews.
- Conducted pre-analysis of departmental results and score sheets, producing visualised reports for seminars and leadership decision-making.
- Applied statistical analysis techniques to identify patterns in institutional data.

Tombell Educational Consultancy Limited (UK & Nigeria) | IT Analyst | Oct 2023 – Jun 2024

- Managed and maintained organisational databases, ensuring data accuracy and integrity.
- Processed and tracked applications using structured data management workflows.
- Coordinated with UK institutions, demonstrating cross-cultural communication and stakeholder management.

Huawei Technologies Co. Nig. Ltd. | Intern Field Maintenance Engineer | Jun 2022 – Dec 2022

- Monitored and optimised network performance, documenting field activities including incident reports and network failure analysis.
- Prepared structured performance reports on network status for engineering teams.
- Configured and maintained network equipment, applying systematic problem-solving in a technical environment.

Fresh FM, Ibadan | **Intern Telecommunication/Sound Engineer** | *Jan 2022 – Jun 2022*

- Maintained studio broadcast equipment and ensured optimal signal transmission performance.

PROFESSIONAL CERTIFICATIONS

- **AI/ML Engineering** | TechCrush | *Mar 2026 – Jun 2026*
- **Certification in Data Analytics and Intelligence** | AppClick ICT Academy | *Sept 2024 – Dec 2024*
- *[In Progress]* **Azure ML / Databricks / MLOps Fundamentals** — actively upskilling toward production AI/ML deployment capabilities

LEADERSHIP EXPERIENCE

National Senate President | Federation of Ibadan Students' Union, National Council | *Dec 2021 – Jun 2023*

SUG Senate Chief Whip | OAUSTECH Students' Union Government | *Jan 2020 – Dec 2020*
