About Us

NovaPay Technologies is a Nigerian financial technology company that helps small businesses and individuals send, receive, and manage money with ease. Our mission is to make digital payments fast, affordable, and accessible to everyone across Africa. We serve over 250,000 active users and process millions of transactions every month.

Products & Services

NovaPay Wallet: A mobile wallet for instant transfers, bill payments, airtime, and data purchases.

NovaPay Business: Payment tools for merchants, including payment links, POS terminals, and online checkout for stores.

NovaPay API: A developer-friendly API that lets businesses accept card and bank-transfer payments inside their own apps and websites.

NovaSave: A simple savings feature that lets users lock funds and earn interest over a chosen period.

Pricing

Wallet-to-wallet transfers are free. Transfers to other banks cost a flat fee of N10 per transaction. Merchant transactions are charged 1.4% per successful payment, capped at N2,000. There are no monthly or setup fees.

Support & Hours

Customer support is available Monday to Saturday, 8:00 AM to 8:00 PM WAT. Users can reach the team via in-app chat, email at support@novapay.africa, or phone at +234 800 123 4567. Live chat typically responds within 5 minutes during business hours.

Security

NovaPay is licensed by the Central Bank of Nigeria and uses bank-grade encryption. All accounts are protected with PIN, biometric login, and two-factor authentication. Customer funds are held in regulated partner banks.
